國際木球總會 翁明輝 會長

木球球具1990年開始研發，1992年球具做成，1993年九月在後花園成立中華民國木球協會，1994年三月在臺北市青年公園舉辦說明會開始推動木球運動，八月組團20幾人到美國加州洛杉磯及舊金山的公園示範木球運動。1995年開始往中國大陸、日本、韓國、新加坡、馬來西亞、泰國等地推廣。1997年年開始往歐洲推廣，1999年五月成立亞洲木球總會、歐洲木球聯盟、和國際木球總會。2004年十月在臺北市舉辦第一屆木球世界盃和世界大學木球錦標賽，這是第一個木球發展十年：向天下播種。

2005年開始國際比賽增多，各國陸續固定每年舉辦國際木球公開賽，還有兩年一次的木球世界盃、木球亞洲盃。2006年開始往非洲發展，2010年成立非洲木球聯盟。2008年也開始參加兩年一次的亞洲沙灘運動會。到了2014年在中國三亞盛大舉辦了第六屆木球世界盃，這是木球發展的第二個十年：各國生根發展。因此2015年四月我在北京代表木球朋友領取影響世界華人盛典大獎。

經過二十幾年各國木球朋友的合作發展，木球已是很多人日常生活的一部份，因此在各會員國也磨練出了很多木球人才，包括領導發展型和技術型的人才。今年十月在馬祖舉辦的國際木球總會和亞洲木球總會的會員大會改選會長、副會長和執行委員，已加入了幾位這幾年表現優良的各國領導人物。國際木球總會的各委員會也會改組加入一些優秀的各國幹部。國際木球總會，不只要給木球選手舞台，也會給各國優秀領導和幹部舞台。

Woodball Family Full of Talents - Seeking Experts from IWbF Members

Mr. WENG Ming-Hui
IWbF President

Woodball equipment was initiated to develop from 1990 and launched in 1992. The first Woodball Introduction was held in the Taipei Youth Park to promote Woodball in the March of 1994 after 6 months of the Chinese Taipei Woodball Association establishment in Grand Garden in the September of 1993. In the August of the same year, Woodball demonstration was held to introduce in the park of Los Angeles and San Francisco of California in United States with the group of 20s.

From 1995, Woodball was introduced into China, Japan, Korea, Singapore, Malaysia, and Thailand. Besides, not only the Asian countries, Woodball was also developed into European countries from 1997. Moreover, Asian Woodball Federation, European Woodball Federation, and International Woodball Federation was established in the May of 1999 simultaneously. The 1st World Cup Woodball Championship and 1st World University Woodball Championship were both organized in the same month of 2004. This is the first decade of Woodball development – to spread the seeds around the world.

There were many international Woodball championships after 2005 since more and more IWbF members began to organize their annual international tournaments. Besides, the 1st Asian Cup was initiated every odd year since 1999 in Malaysia and the 1st World Cup

was held in every even year since 2004 in Taiwan. With the great ambition, Woodball had been also developed into Africa from 2006, and Africa Woodball Federation was set up in 2010. Furthermore, Woodball was continually included into one of the disciplines in Asian Beach Games since the 1st Bali Asian Beach Games 2008. In 2014, the 6th Woodball World Cup was organized in Sanya, China successfully and grandly. This is the second decade of Woodball development – to develop Woodball in each country. Hence, it was my honor to receive the “You Bring Charm to the World Award” in Beijing, China for the Woodball sport in the April of 2015.

After two decades efforts and cooperation from IWbF member organizations, Woodball has gradually become part of the routine life for the Woodballers. Due to more and more Woodball events were held, many capable experts were trained from IWbF members, including the leaders and the technical officers. The IWbF & AWbF President, Vice Presidents, and Executive Committee members were re-elected in Matsu of Taiwan, and the outstanding leaders of each member association joined as well. The Working Committees of IWbF will also be reorganized next year, and undoubtedly the experts will join from IWbF members. IWbF will provide the bigger stage for not only the athletes but also the leaders and cadres.

2nd Beach Woodball World Cup Championship 2019

Venue: Entebbe, Uganda 烏干達恩德培 Date: 25-31 May 2019

Mr. Paul Mark KAYONGO

President

Uganda Woodball Federation

The 2nd Beach Woodball World Cup 2019 (BWWC) was the first of its kind on the African continent hosted the Uganda Woodball Federation (UWbF) in partnership with the Government of Uganda, Chinese Embassy and International Woodball Federation (IWbF).

It was not the first time that UWbF was hosting an event to this multitude; the Federation hosted the 3rd World University Woodball Championship 2010 and the bi-annual Uganda International Open Woodball Championships.

Uganda won the bid to host during the IWbF Annual General Meeting held in November 2018. It was such a big sign of trust from IWbF to organize such a big event.

Preparations kick-started immediately with the formation of the Organizing Committee headed by Mr. Vincent Kisenyi. The BWWC took place on May 25 – 30, 2019 at Spenah Beach – Entebbe on the shores of Lake Victoria; the biggest fresh water lake in the world.

The event ran under the theme “Fostering unity and promoting international relations through Woodball sport.”

Indeed, the opening ceremony and the variety of participants lived up to the theme of the event. Ambassadors from Japan (H.E Kazuaki Kameda) and China (H.E Zheng Zhuqiang) graced the opening ceremony; participants from Burundi, China, Chinese Taipei, Hong Kong (China), India, Kenya, Korea, Malaysia, Rwanda, Singa

pore, Eritrea, South Sudan, Zanzibar, Uganda, Somalia and Tanzania made the event colorful.

Other dignitaries that honored the invitation to the event included Hon. Mary Karoro Okurut (Chief Guest representing Hon. Janet Kataaha Museveni), Rt. Hon. Rebecca Alitwala Kadaga (Speaker, Parliament of Uganda), Prof. Eriabu Lugujjo (UWbF Patron and Vice Chancellor, Ndejje University), Dr. Kisamba Mugerwa (Chancellor, Ndejje University), Hon. Charles Bakkabulindi (State Minister for Sports), Mr. Thomas Kok (IWbF Vice President), Mr. Onyik Bosco (Chairman, National Council of Sports), Dr. Sang Wook Lee (Technical Delegate) and Mr. Paul Mark Kayongo (UWbF President). The sight and sound of the new UWbF anthem being launched and performed by Motherwell Junior School – Mutungo climaxed the opening ceremony.

After three days of competition, Team Chinese Taipei obtained 6 gold, 7 silver, and 3 bronze. Team Uganda obtained 6 gold, 4 silver, and 3 bronze. Team Hong Kong obtained 2 gold, 2 silver, and 1 bronze.

We recognize and appreciate the contribution, of the Government of Uganda through the Ministry of Education and Sports; H.E Zheng Zhuqiang and the Chinese Embassy at large, towards the success of the 2nd Beach Woodball World Cup Championship 2019.

Uganda looks forward to hosting the Woodball friends in the near future for, may be, the next edition of the Woodball World Cup in 2022.

11th Thailand Open International Woodball Championship 2019

2019年第十一屆泰國國際木球公開賽

Venue : Pattaya, Thailand 泰國芭達雅

Date : 25 Feb. - 2 Mar. 2019

Dr. Patanachart KRIDIBORWORN
President
Woodball Association of Thailand

Since 1996 woodball has been developed in Thailand by the supporting of Mr. Weng Ming Hui and the peers from the Chinese Taipei. Khonkaen, Suphanburi and Chiangmai were the original places to established woodball training center and also competitions conducted.

Chiangdao, Chiangmai was used as the experimental woodball course since woodball has been long played in the football field, Golf clubs as well for a public park. The woodball garden along with the woodball course has been designed and tried to satisfy the players and more challenging games.

Five times of the Thailand Open, Air Sea Land Games, Thailand National Games, Asian Woodball Championship and World Cup Woodball Championship has been conducted here along with the course development. Nowaday, the Chiangdao woodball course has been used as the center of coach, referee workshops consecutively.

During December 11th - 15th of this year, the National Woodball Championship will be conducted again here under the support of WAT. There will be 400 - 500 participants join in this special event.

Next year during February 10th - 14th, there will the Woodball International Championship under the umbrella of Air Sea Land Games. This time, it will also be conducted in Chiangdao and perhaps will also be the final game for woodball event happening here.

Woodball has been played widespread throughout Thailand and the courses had also been developed in all parts of the Kingdom of Thailand.

Therefore, I believe this is the best time to pass over here to give the chance for other places to create the new woodball venue in any other area. From Chiangdao woodball course which becomes the woodball legacy of Thailand and will continue to be used as the training and workshops for player, coach and referee respectively.

Finally, I would like to invite all the woodball lovers to visit and join in the game and the farewell party of the Chiangdao woodball course.

Looking forward to seeing you once again in Chiangdao. Wishing you all having the best in the year 2020 to come.

7th Korea Open International Woodball Championship 2019

11th Asian Cup Woodball Championship 2019 was granted to Korea Woodball Federation and Boeun County under the support of Mayor of Boeun County, Mr. Jung Sang Hyuck. Hence, the said championship was held with AWbF University Woodball Championship 2019 & Korea Open International Woodball Championship 2019 from 13 to 19 June 2019 in Boeun County.

Around 400 participants from 14 countries took part in the above events and it was not an easy task to organize such an international standard championship. These events were completed successfully under the cooperation between the Organizing Committee and the support of Mayor Jung Sang Hyuck of Boeun County.

This time, there were 4 courses for the 3 tournaments. Course A & B were the park course, and it tested the skill among the players. The players have to not only concentrate on their proficiency, but also observe the different types of fairway during the competition. Therefore, it is not an easy task to obtain the triumph.

Moreover, the Course C & D are the international standard Woodball Courses. Developed from the hiking path into the long-line shaped fairways, each course is around 1 Kilometer. Besides, equipped with the light, the fairway competition was able to be arranged in the night, and it made the schedule of event more flexible. After the championship, all the participants definitely had the unique experience in these challenging courses.

Totally 6 days competition, 14 gold medals for Asian Cup, 8 gold medals for AWbF University Championship, and 16 gold medals for Korea Open. Team Thailand totally won 9 gold medals in Asian Cup, which is the biggest winner this year. Team Indonesia obtained 4 gold medals in AWbF University Championship, and Team Korea got 7 gold-medals in Korea Open. Congratulations for the teams and medalists and it is expected to see the continued effort from all participants in the coming championships.

By the cooperation of everyone, the 11th Asian Cup Woodball Championship 2019 &

AWbF University Woodball Championship 2019, and 7th Korea Open International Woodball Championship 2019 successfully completed. Thanks to all participants, staffs, Organizing

Committee, and especially the Mayor of Boeun County. Your contribution and effort are much appreciated and we look forward to cooperating with you again in the upcoming future.

In 2019, there were two major Woodball Competitions in the world, one was the 2nd Beach Woodball World Cup in Uganda Africa of May 2019 and another one was the 11th Woodball Asia Cup in Boeun Korea of June 2019. Woodball Association Singapore (WAS) was lucky enough to participate these two events, not only to witness the Woodball rolling over Lake Victoria at the source of the Nile, and also to climb up the greenly mountains of Korea to swing the mallets. Undoubtedly, Woodball on the mountain or beside the water, is just to confirm the nature of the Woodball sports, which is always full of elegant sentiments for the wise and the virtuous.

Singapore Clementi Woods Park International Woodball Course is also hilly and near the sea.

Partly for that reason, the 19th Lion City Cup (LCC) International Wooden Open Championship 2019 was again successfully done here, which has attracted over hundred of participants, including many world-known players. The scenery is gorgeous just beside the Kent Ridge of National University of Singapore, and facing the vast Strait of Malacca. As the Lion City was celebrating 54th National Day on 9 August 2019, the players were full of joy and to share their happiness while enjoying playing Woodball.

In-fact WAS is promoting the game with 2E concept -- Environmental and Economical with the support by the authority. We again with great honor to have the Guest-of-Honor Minister Mr. S Iswaran, IWbF President Mr. Weng Ming-Hui,

AWbF, VIPs, Sponsors and Advisors for their efforts and contributions in making the event a success. Minister Mr. S Iswaran made his speech by saying that he was very happy to be with all of the players and joining every year for this event. "Firstly, we are very happy that we have the facilities in West Coast that we could host this event for all of you in Singapore, and also from many countries that come to participate here. This is a very nice international event, which we are very happy to host here."

He also said: "I'm very glad to see that we have a multi-generational interest in this sport, that we have got students from primary school, secondary school, older students and of course we got experienced players as well, all taking part.... I hope beyond the game and sports, this event continues to help us to build strong tie, because our country is promoting mutual understanding, I think sport is one way of doing that. And it is always a pleasure to see different countries come together to play a sport in this region."

According to our past experiences in choosing venues for hosting Taiwan Open, we have had the event carried out in Changhua, Kaohsiung, Kinmen, Taoyuan, Yilan, Hsinchu, and Taipei for the previous years. This year, we are bringing the championship to a new location – Lienchiang County (Matsu), which is famous for the battle-field scenery. Not only the male and female champion of the Woodball World Ranking 2018, Mr. Ahris Sumariyanto from Indonesia, and Ms. NG Lai Ling from Hong Kong, but also the skillful Thailand team
