會長的話：

就地取材與材一強化五年計劃工作

翁明輝
國際木球總會會長

第一個五年計畫已實施一年了，檢討實行效果，發現「工欲善其事，必先利其器」。木球運動因為易學難精、實用方便，所以發展迅速，但為了確保品質，我們不只要培訓各國教練，更要培養出好教練，不只要鼓勵各國生產球員，也要指導各地區生產好球員，我們也要鼓勵指導各國建設漂亮的好球場。

木球的起源在東亞，經過十六年的發展，在東亞地區已有許多優秀教練、講師和選手，也有許多漂亮的好球場，而且也有優良品牌的球員，去年東亞教練往西行，到過非洲、中東和中亞，今年一月也到印度去講習和視察，發現大家都很喜欢木球、都想參與打木球，可惜缺少教練、球員和球場。因此我們不只要培訓各國教練也要鼓勵各國生產球員，今年開始國際木球總會將實施球員認證制度，只有合格的品牌球員才能用於國際比賽。

另外，各會員國須多舉辦國內比賽，並多派老師參與國際比賽跟各國好手交流、觀摩，才能提升技術水準，也才能參考各國球場設計，建設好球場，除了專用球場，也可以利用現成的學校、公園等草地整理規劃球場成為非專用球場。

為了落實木球運動在國際上的發展，我們不只要推廣，也要確保品質，所以我們需要製造更多好球員，需要更多好球場，才能吸引更多加入木球運動，才能培養出更多的好教練和好選手，這是我們各國領導幹部需要加強、努力的地方。

President's Message :

Utilization of Existing Resources and Talents – Strengthening the Implementation of the Five Year Plan

Mr. Ming-Hui WENG
IWbF President

It has already been one year since the initiation of the Five Year Plan. When reflecting on the outcome of execution, we realized to get desirable outcome on the job, it is important to use the correct approach and tools. Although the Woodball sport is difficult to master but due to the fact that it is easy to learn, practical and convenient, it has been spreading rapidly. To ensure the standard of the expansion of Woodball sport, we need to not only train coaches from all over the globe and encourage member countries to produce Woodball equipment but more important is to train coaches properly and provide instruction to all regions for making good Woodball equipment. At the same time, we shall motivate and supervise nations to build fine Woodball courses.

Woodball originated from East Asia, and after sixteen years of development, the East Asian regions already have many outstanding coaches, lecturers, players as well as many attractive and superior Woodball courses and excellent brand of Woodball equipment. Last year, the coaches from East Asia moved westward to Africa, Middle East and Central Asia; also, this year the trip to India for Woodball workshop and inspection of Woodball development in January revealed that people from all places we have visited are all fond of the Woodball sport and have high interest to play Woodball but unfortunately lacks coaches, Woodball equipment and Woodball courses. Therefore, in addition to training coaches worldwide, we also should promote members to manufacture equipment. Beginning from this year, the International Woodball Federation will practice the criteria for certification of Woodball equipment and enforce the condition that only Woodball equipment with the qualified brand can be used in international championships.

On top of that, to elevate the technical standards, member countries shall organize more championships locally, as well as sending more instructors to participate and compete in international championships to learn and share experiences with top players all over the globe and study the different Woodball course designs to create fine Woodball courses. Of which, is not limited to just exclusive Woodball courses, but could also manage fairways in schools, parks and grassy fields to develop into non-exclusive Woodball playing field.

To successfully expand Woodball sport internationally, other than promoting Woodball, we also need to maintain the quality in developing Woodball. Thus, it is necessary to make higher-quality Woodball equipment, and obtain more decent Woodball course to attract more people to join Woodball sport and then be able to train more excellent coaches and players. These categories are also goals all executives committee of the member countries should no doubt reinforce and strive for.

Mr. Ming-Hui WENG, President of IWbF (front row 2nd left) with Executive officials of member countries in the General Assembly of IWbF 2009.

India National Woodball Workshop, Seminar & Championship

Mr. Pravin Manwalkar,
Treasurer, Woodball Association of India

To further develop the Woodball sport in India, the Woodball Association of India had invited Mr. Ming Hui, WENG President of the International Woodball Federation, Mr. Sean WENG, Executive Secretary of IWbF, Mr. Thomas KOK, President of Asian Woodball Federation, Mr. Jecky TANDIONO, President of Indonesia Woodball Association and Ms. Lai Ling NG, Honorary Secretary General of Hong Kong Woodball Federation to organize sequence of workshops, as well as inspect the venues in Nagpur, Amravati, and Gondia of India for a 6- days trip.

On 15th January, 2010, 250 students gather in Sacred Heart Schools to witness a new beginning with Mr. Pravin Manwalkar, Woodball Association of India and the Taiwan delegates. The program began with a traditional welcome of tying a turban and presenting shawls. Mr. Albin Anthony, Administrator of Sacred Heart School spoke to the august gathering and expressed his utmost desire and willingness to introduce the Woodball game to the students. Live demonstration of the game was shown in the school's Lawn as well as Woodball seminar & demonstration organized by the Sacred Heart School & Thane District Woodball Association.

For the next day, near about 185 Sports Teachers, Officials from various district participated in the Woodball workshop and 1st Woodball Course jointly organized by the Dept. of Physical Education, GVISH and Amravati District Woodball Association. Other than the invited guest from IWbF & AWbF, Mr. Ashish Deshmukh, President of WbAI, were all welcomed by Dr. Shamsulla Khan, Director, GVISH & Dr. Suraj Yeotikar, Dept. Of Sports, GVISH.

In the next few days, the Woodball Association of India & PGTD of Physical Education, RTM Nagpur University jointly organized the Woodball workshop and 6th National Woodball Championship at RTM Nagpur University Campus in Nagpur. Participants for the said events included 218 Member delegates, Physical Education Directors, Sports Teachers from various states of India & Universities. Dr. G.S. Parashar, Pro. VC, RTM Nagpur University and Dr. S. N. Pathan, VC, RTM Nagpur University Inaugurated for the National Woodball Workshop as well as the 6th National Woodball Championships at the RTM Nagpur University Sports Hall.

In the presence of Dr. Yashwant Patil Organization President & Head PGTD of Physical Education, I began the championship program with a traditional welcome to the 379 Players, Referees, Officials from 23 State & UT Teams who had participated in the said Championship.

After the championship, prize distribution & closing ceremony were completed and the prizes were presented by Mr. Ashish Deshmukh, Dr. Yashwant Patil, Dr. Vivek Awasare, and Ms. Kalpana Jadhav.

On 18th & 19th January 2010, 160 Sports Teachers, Officials, Physical Ed. Students from various districts came to participate in the workshop organized by the Gondia District Woodball Association at the DBM College of Physical Education, Gondia. Mr. Arjun Budhe, Chairman, DBM Education Society, was also present as guest of honors and welcomed by Dr. Amit Budhe, Principal, DBM College Physical Education & Staff by Gondia Public School.

On the last day of the trip, 200 students attended the Woodball workshop organized by the Maharashtra State Woodball Association at the Shivshakti College, Babhulgaon, District of Yavatmal. Among with the delegates, Mr. Dinesh Bhore, President of Shivshakti Education Society, Mr. Balasaheb Dhande, Office bearers of WbAI, Mr. Vijay Santan, District Sports Officer, Dr. C.G. Mahajan, Principal & Prof. Vikas Tone were also the Guest of Honors on the occasion of inauguration, which set a beautiful finish on the series of successful Woodball events in India.

2010 Asian Beach Games (Beach Woodball) Report

Prof. Nick Chun-Ching HUANG
Technical Delegate of Beach Woodball,
2nd Asian Beach Games Muscat 2010

2010 Asian Beach Games (ABG) will be held in Muscat, Oman at 8-16 December 2010. There are two venues for 12 sports event. One is Muscat city (Beach Volley, Marathon Swimming, Triathlon, Beach Woodball) the other is Al Musannah sports city. The weather during that time is warm and nice average temperature around 20-24 degrees centigrade.

After 2 official meetings and lots of E-mail contact, right now the draft framework almost done. This is the first time for ABG Woodball set all fairways in sand. They will Design 2 Beach Woodball course (6 fairways) totally 12 fairways and a practice zone in Muscat beach. Only one competition category for Beach woodball (BW)—Stroke competition, consist of team and single for both male and female Players. Each nation can register maxima 8 players for both male and female. 6 for team and single, 2 for single only. There is a little difference in team's score; the best 4 out of a team in each round (6 fairways) will be counted as team's score. Team's score consist of 8 rounds (48 fairways); best 9 singles after 8 rounds will join in final. Competition date will be 10-13 December.

Oman is a very nice and beautiful country at mid-east Asian, also has very unique religion culture and ecosystem. Muscat is the capital of Oman, with great mosque - pretty beach and kindly people. They try to do the best for successful ABG, so go for it. Muscat is ready for all woodball lovers.

Special Report: International Tour Woodball Championships 2009

Secretariat
IWbF

In order to encourage outstanding Woodball performances, the International Tour Woodball Championships once again linked the international events organized by member countries around the world. With the addition of the 6th Asian Cup Woodball Championship conducted in Bali, Indonesia, the International Tour Woodball championships 2009 was a year filled with excitement for the growing number of Woodball players.

In 2009 the Cash Awards for the International tours was also sponsored by the courtesy of WENG LU SHOU Sports Foundation, which included the following steps:

After intense competition among hundreds of players from up to 15 countries, the top 10 female and 12 male players were revealed and rewarded at the last stop in Taiwan in November 2009.

We wish to congratulate the winners of the International Tour and will be looking forward to continued efforts.
