亞洲要體育自主 - 木球做先鋒

國際木球總會 翁明輝 會長

國際木球總會所屬各國木球協會的理事長和幹部們來自各行各業，二十年來我們各國木球朋友合作把木球運動從無到有發展起來，因此我們的經驗和對體育世界的觀點，有別於傳統體育項目的領導們。

亞洲大國發展經濟突飛猛進，更有自信宣揚固有文化，體育方面也不再競相向歐美領導的體育組織借牌、申辦運動會，開始重視亞洲人自己喜歡、發展的運動項目。

創新、多元化是時代潮流，亞洲體育自主是大勢所趨，國際木球總會的領導們有鑒於此，登高一呼迅即得到二十個運動項目的認同，合作成立國際現代體育聯合會，並規劃在台灣舉辦第一屆國際現代運動會。但因政治因素干擾，我們決定另擇期易地舉辦。國際木球總會的重要領導們也在為此奔走接洽，做亞洲體育自主的先鋒。

Asia Needs Sporting Independence - Let Woodball Lead the Way !

Mr. Ming-Hui WENG
IWbF President

The International Woodball Federation and its fellow associations' leadership team have stemmed from comprehensive career paths to merge our efforts, and for the last twenty years we have worked exceedingly hard to originate and establish the Woodball sport. Therefore, our experience and outlook differ from those leaders who are involved in the conventional sporting events.

With the economic advancement of significant Asian nations, the growth in confidence to promote its traditions and culture, we see the movement away from bidding sports Games dominated by Western sports organizations to value sporting events that are of Eastern origin or preference.

Innovation and diversity is the trend of times, and Asia sporting independence is also an irresistible general trend. The International Woodball Federation leadership team recognized the need and received overwhelming support from twenty international sports federations to establish the International Modern Sports Union (IMSU), and plans to organize the first International Modern Sports Games in Taiwan.

Due to political interference, location and date is delayed, but International Woodball Federation managements are working long and hard to ensure that the Woodball sport is leading the way for Asia sporting independence!

1st Beach Woodball World Cup Championship 2017

2017年第一屆沙灘木球世界盃錦標賽

Venue : Bintan, Indonesia 印尼民丹 Date : 9 - 13 Aug. 2017

Mr. Sean Chi-Hsiang WENG
Technical Delegate

1st Beach Woodball World Cup Championship 2017 (1st Beach Woodball World Cup) was granted to Indonesia Woodball Association (IWbA) during the IWbF General Assembly 2016 in Jeju, Korea. The late President of IWbA, Mr. Jecky Tandiono shown his ambition to organize the 1st Beach Woodball World Cup in Indonesia since IWbA has plenty of experiences on hosting Beach Woodball events since 1st Asian Beach Games held in the year of 2008 in Bali, Indonesia.

1st Beach Woodball World Cup was planned to also organize in Bali since Bali is the most significant city of Beach Woodball development history. Nevertheless, through 6 months preparation, late President Tandiono located a better venue to accommodate team leaders, staffs, and players; moreover, the new ideal venue also has its own beach and facilities to accommodate all events of a Beach Woodball championship. Thus, the venue of 1st Beach Woodball World Cup was decided relocating to Bintan Lagoon Resort, Bintan Island, Indonesia in December 2016.

Through 7 months preparation, the 1st Beach Woodball World Cup was organized on 9-14 August 2017 at Bintan Lagoon Resort and the 1st Beach Woodball World Cup was completed successfully under the cooperation between Organizing Committee, delegations, ITOs, and staffs. Especially local Woodball organization, Tanjungpinang Woodball Association leading by Mr. Suparno offered assistances to have the Championship ran smoothly as it can. Mr. Suparno and his staffs provided the great support during this tragic moment happened on late President Tandiono.

2 days before the championship the late President Tandiono of IWbA accidentally injured his head and remained unconscious. Sadly he passed away in September 2017, we are deeply sorry to hear this tragic news and it definitely a great loss of Woodball family.

Not only 1st Beach Woodball World Cup and various I

ndonesia Open Championships ever organized by IWbA under leadership of late President Tandiono, but 1st Asian Beach Game 2008 Beach Woodball Discipline, 6th Asian Cup 2009, 8th Asian University Championship 2015 organized by IWbA.

Again, Beach Woodball World Cup - one of the Woodball major events organized by IWbA and completed successfully. Players were staying in the resort, and just 5 minutes walking from rooms to Beach Woodball course on the beach. This is the best arrangement for players and Organizing Committee, no one need to rush to venue for games or keep staying at venue waiting for shuttle back to hotel.

1st Beach Woodball World Cup organized at Bintan Lagoon Resort was a brilliant decision made by late President Tandiono of IWbA, this venue provided flexibly for everyone to enjoy the grand event during the period. By this experience, we'd like to have the following edition of Beach Woodball World Cup 2019 also taken place at the same convenient resort.

By celebrating the successful of 1st Beach Woodball World Cup, let us all pray for late President Tandiono. Late President Tandiono led IWbA and devoted himself on Woodball development, and we wish he had stayed with us more time and promote Woodball around the world in the coming years, and we also sure his spirit will forever with us and witness future Woodball development together with us also.

It is also through the valuable support from the Negeri Terengganu Woodball Association who have contributed to

this Event.

This year event is very different from all the past Malaysia International Open Championships as we have 36 fairways on Green and 12 fairways on Beach which also give an opportunity for the selected athletes to play on the Beach before the 1st World Cup Beach Woodball Championship 2017.

161 athletes took part with Youth Competition (7 events), Open Competition (7 events) and Veteran Competition (2 events) from various countries namely Hong Kong, Chinese Taipei, Indonesia,

Singapore, Pakistan, Korea, Uganda, Japan and Malaysia. I would like to express my gratitude to all the athletes for their participants in this Event to make this a success.

Hoping that this game will serve to bring out the best competitions among us all with great recognition to the general public as a "INTERNATIONAL MODERN SPORTS GAMES"

Dr. CHONG Tien Siong
President

Woodball Association Singapore

Woodball is world ball, it started in Asia and now become popular in many countries of Asia and Africa, there are also people playing in many places of America, Europe and Oceania. The world is round, and the round shaped woodball is good to play elsewhere on the earth disregards of age and gender.

Woodball Association Singapore (WAS) is lucky enough to have hundreds of participants from around the world to take part in the 17th Lion City Cup (LCC) International Woodball Open Championship 2017 from 4 to 7 August. That was a joyous moment in Singapore as the Lion City started celebrating 52nd National Day a week before 9

August 2017. Thus, woodballers share their happiness together with the nation while they play woodball in Singapore.

Woodball sports come to Singapore since mid 1990s, and WAS is promoting the sport with 2 E (environmental and economical) concept. Woodball sport is environmentally friendly and playable on greenly parks and sandy beaches, it fosters health with the nature and making friendship during competition. Woodball is also economical within everyone's budget where we need only a mallet and a woodball to play, but we enjoy the game just like the golf.

It was WAS' s great honor to have our Minister Mr S Iswaran to be the Guest--of-- Honor during the 17th LCC, who came for the Closing to present the awards and medals to our beloved founder of Woodball Mr. Weng Ming--Hui, President of International Woodball Federation and many other VIPs, Sponsors, Advisors, and last but not least the winners.

Coming 2018, WAS will be holding 18th LCC from 3 to 6 August 2018. We look forward to welcome each and every player from around the world to join us and enjoy woodball – the world ball sports in Singapore. Cheers!!

日本木球連盟 会長 新谷崇一

本来ならば、2017年9月23～24日に開催予定でした第16回日本オープンを9月30日、10月1日に変更したことを、まず、各国の皆様にお詫びを申し上げたいと思います。

特に、翁明輝国際木球連盟会長は来日を楽しみにしておられたのを、日程変更のため来日が不可能となり、ご迷惑をおかけしましたことを心よりお詫びいたします。

大会は2日間とも晴天のもとで行われました。日程変更がありましたので、参加予定していた海外選手は、香港からのNg Lai Ling さん1人となり、淋しい国際大会でした。そのような中、Ng Lai Ling さんは今回、初優勝しました！国際大会に何度も出場し、大会経験の豊富さが伺われます。

海外からの参加者であるNg Lai Ling さんは、私の家にホームステイされ、日本式の生活を堪能されました。そして、大会終了後は私たちと一緒に、会津若松方面に旅行し、初秋の会津路を楽しむことができました。

2018年は9月15、16日に開催します。

皆様の多数のご参加をお待ちしています！

22nd Taiwan Open International Woodball Championship 2017

2017年第廿二屆臺灣國際木球公開賽

Venue : Hsinchu, Taiwan 臺灣新竹

Date : 16 - 19 Dec. 2017

Organizing Committee

22nd Taiwan Open International Woodball Championship 2017

It is our giant honor to see many Woodball Lovers in the 22nd Taiwan Open International Woodball Championship 2017 in conjunction with the 9th Asian University Woodball Championship held in Hsinchu, Taiwan from 14-20 December. There are almost one hundred foreign participants from 8 countries come to Taiwan - Indonesia, India, Singapore, Malaysia, Korea, Thailand, Japan and Hong Kong. We sincerely welcome their participation and wish them a happy journey in Hsinchu where the technology developed well and this city is also famous for Hakka Culture.

We are dedicated to introducing Taiwan to outside countries so the host city is annually shifted to one another. The participants will experience the difference beauties and splendid views during every visit in Taiwan. This time, we place much value on accommodation in order to

make the players feel comfortable and ease while relaxing. Comparing with the previous hotel, Royal Hotel Hsinchu is a five star hotel which is certified by Tourism Bureau, M.O.T.C. Republic of China. We believe all participants will get well sleep after a wiped out day!

In December, North Taiwan is extremely cold and it is a rainy season which means it has a great possibility to rain. What's more, Hsinchu county is famous for the strong wind. At that time, the cold flow severely hit Hsinchu county; as a result, all players were playing Woodball at low temperature about 11°C-13°C. Under this circumstance, not only players but also staff felt frozen stiff. To prevent getting a cold, the Organizing Committee prepared ginger tea keep all players warm. Fortunately, during the four days competition, we only caught rain on one single day. The weather is

kind of different from other countries which results in the changeable consequence. International Woodball Championship is challenging not only because of different courses build by different countries but also because of the weather. A professional player shall adapt all factors and perform greater and better.

Woodball is an easygoing Sport for any age. The goal of Woodball is not only Competitive & Healthy but also Recreation & Joyful. In the aged society, we encouraged the old people to participate the competition with the aim of remaining health. Therefore, we add veteran events for Taiwan Open. The 22nd Taiwan Open International Woodball Championship was in conjunction with the 9th Asian University Woodball Championship 2017. At this juncture, we exchange the various experience

from many kinds of countries and improve the communication between diverse aged players.

Within the competitions, Chinese Taipei almost swept all events both in Taiwan Open and Asian University and totally gained 14 golden medals. On the other hand, Hong Kong was the biggest winner for Asian University who bagged 6 golden medals in all. In addition, we have veteran events in Taiwan Open that Thailand wrapped up 2 golden medals. Congratulations to all medalists. We are glad that all participants had enjoyed the competition and had fun during the visit in Taiwan. It's our pleasure and honor to host you all and we look forward to meeting you next time in Taiwan.
