後疫情時代的木球新生活

翁啟祥 代理會長

新冠肺炎疫情自2020年開始影響我們的生活，也對國際木球的交流帶來了巨大的衝擊，而2021年初我們失去了最敬愛的木球發明人翁明輝會長，更是疫情影響下另一個令人震撼與不捨的消息。

疫情以來2年多來所有國際比賽都延期、取消了，取而代之的是2021年7月起國際木球總會規劃的5場遠距線上競賽，維繫了彼此的交流。第5場於2021年11月舉行的戶外團體球道賽，比賽計有8個會員單位同步參與，大家移師戶外在各自的場地上透過視訊和其他國選手同步進行球道賽。

而原訂2020年7月於馬來西亞玻璃市舉辦的第9屆世界盃，兩度延期至2022年7月，仍因馬來西亞入境管制等因素，馬來木球協會與國際木球總會十分遺憾的宣佈取消2022年（原2020年）馬來西亞世界盃辦理，而接下來的木球世界盃則將於2024年於中國杭州舉辦。

即使疫情仍持續，在兼顧防疫與恢復往日活動交流下，各地逐步恢復疫情前的生活，而國際木球活動也於今年7月由泰國恢復辦理疫情後首場的國際木球比賽，並期望未來有更多比賽能陸續恢復辦理。

國際木球總會樂見於許多會員單位今年疫情穩定時刻，紛紛辦理了多場國內的木球活動，除擴大了國內的木球參與層面，也強化了國內的發展基礎，為疫情後參加亞洲盃、世界盃等活動培養更優秀的選手。

即將於臺灣辦理的2025年世界壯年運動會，已於今年6月宣佈增設木球項目，期待各國也開始規劃不同年齡層的比賽組別，培養更多壯年木球運動人口，2025年時能齊聚臺灣，除共享木球的揮桿樂趣，並藉由世界壯年運動會，讓更多人瞭解木球。

今年總會也會持續規劃線上交流活動以及線上講習會等，加強各國遠距的互動，並精進木球知識與規則。疫情影響下帶給了我們許多的改變，不止改變了我們的生活形態，也改變了我們以往頻繁互動的交流。期待大家攜手共度疫情考驗，在後疫情時代逐步恢復往日的生活方式，並能儘早恢復疫情前無拘無束的國際木球交流。

New Woodball Life in Post-pandemic Era

Mr. Sean Chi-Hsiang WENG
Acting President

Our lives have been affected by the COVID-19 pandemic since 2020, and it has also caused great impact on Woodball communication between countries in the world. Furthermore, the loss of our beloved Woodball inventor, President WENG Ming Hui in the beginning of 2021 has been a devastated and heartbreaking news in the epidemic period.

Every international Open Championship for the last 2 years was postponed or cancelled since the outbreak of the pandemic. However, starting from Jul. 2021, IWbF scheduled 5 online competitions instead to connect Woodball friends with each other. A total of 8 member organizations participated synchronously through webcam on respective courses in the 5th and final fairway teams competition held in Nov. 2021 outdoor.

The 9th World Cup in Perlis, Malaysia was set to take place in Jul. 2020 but postponed twice to Jul. 2022. This year, Malaysia Woodball Association and IWbF regret to announce that the original World Cup 2020 was cancelled due to prevention measures of entries, and the next World Cup will be held in Hangzhou, China in 2024.

Although the pandemic has not come to an end, by balancing between prevention measures and recovery of communications in events as in the past, people are starting to get their lives before back, and the international Woodball events has recovered too in Jul. this year with the first international Woodball championship held by WAT after the happening of the pandemic. Hope that there will be more and more competitions resuming in the future.

IWbF is glad to see quit a few member organizations have managed to have many domestic Woodball events when the pandemic is stabilized this year. In addition to expand domestic Woodball engagement, it also enhanced the fundamental development in the countries and cultivate exceptional players for the Asian Cup, World Cup and so on after the pandemic is over.

Moreover, it is announced in June that Woodball has been included to the 2025 Summer World Masters Games in Taiwan. Looking forward to having countries starting to arrange competition categories from different ages and nurturing more Woodball players from middle adulthood to gather in Taiwan in 2015 and share the joy in swings while demonstrating Woodball to more people by the World Masters Games.

The federation is planning to have online communicative events and online workshops continuously this year to amplify the relations between countries with long distances, meanwhile, refine the referees' knowledge and rules of Woodball. The pandemic has brought a number of influences to our life styles and the frequency of interactions, communications. Hope that we get through this test of pandemic hand in hand and regain our life styles step by step in this post-pandemic era and resume international Woodball communication at our ease with the least delay.

翁明輝永久榮譽會長 木球精彩人生

30年前因孝親緣故翁明輝榮譽會長以非體育人的身份發明了木球，初期以企業家的身份投身其陌生的體壇，卻也因木球結識海內外眾多體育界好友，也賴相關部門及各界的支持、提攜，翁榮譽會長才能在木球發展的路上愈挫愈勇，堅持走自己的路，開創體育新世界。

翁榮譽會長曾以生意人的思維分析，每4年一次的奧運會共頒發千餘面的獎牌，但每4年、8年、12年甚至20年都無法產生一項具備國際發展規模的體育新項目，所以成功建立一個國際運動項目，更是意義與價值非凡。如此的運動價值觀，也正是翁榮譽會長與傳統體育人思維的不同之處。

翁榮譽會長自小崇尚岳飛將軍，時常將『滿江紅』掛在口中吟唱，更自詡為民族英雄岳飛的傳令兵，背負著號召有志之士，集結眾人的力量一同為國家民族奉獻成就大事業的使命，因此他常說木球的發展是大家合作出來的結果。

即使有眾人的合作，木球發展的道路上還需仰賴貴人相助。翁榮譽會長心中的三位重要貴人分別是亞洲奧林匹克理事會終生名譽副主席魏紀中先生、前教育部部長吳清基先生、前北京體育師範學院院長孫民治先生。三位貴人讓木球發展得以順遂，翁榮譽會長始終感念在心。

木球發展奠定一定的規模後，翁榮譽會長的雄心壯志產生了另一個目標。創建國際現代體育聯合會的構想在2015年獲頒「影響世界華人大獎」後油然而生，旋即聯合20餘項目在臺北成立國際現代體育聯合會，並計劃籌辦國際現代運動會，希望可以集結更多志同道合的朋友，一同開創各項運動在國際上的發揮空間，成就共榮、共贏的大家庭。

翁明輝榮譽會長成就了木球，木球也成就了翁榮譽會長，所以翁榮譽會長曾說「木球帶我去了原本不會去的地方、讓我認識了原本不會認識的朋友，開拓了我的視野，讓人生的道路更寬廣、豐富」。現在就讓我們跟隨翁明輝榮譽會長的足跡一起來領略他豐富精彩的木球人生！

Splendid Woodball Life of Permanent Honorary President WENG Ming Hui

30 years ago, Honorary President WENG Ming Hui invented Woodball as a businessman with rare sports knowledge. In the beginning, Honorary President WENG put himself into the strange sports world as an entrepreneur; however, he thus acquainted numbers of friends around the world. Based on the support and assistance from these friends and people in all walks of life, Honorary President WENG was able to persist on his own path, and build the new sports world.

Honorary President WENG had analyzed the medals from Olympic Games from a businessman's point of view. He found that although more than 1000 medals are presented in every 4 years, not a single new sport has the prospect to expand internationally in 4 years, 8 years, even in 20 years, which makes it more valuable and significant to successfully build an international sport event such as Woodball. This kind of sports value is exactly what made Honorary President WENG different from other ordinary sportsmen.

Honorary President WENG regarded himself as the messenger of General Yue Fei in Song Dynasty of China. He often sang the poem "A River of Blossoms" written by General Yue, and looked upon uniting strength of people, contributing to the country together as the great mission of achieving a prosperous business. Therefore, Honorary President WENG said that the development of Woodball is the result of cooperation.

Other than the strength combined together, the

development of Woodball also requires support from the benefactors, and the top three crucial people in Honorary President WENG's mind were Mr. WEI Ji Zhong, the Lifetime Honorary Vice-President of Olympic Council of Asia, Dr. WU Ching Ji, the Former Minister of Ministry of Education, and Dr. SUN Min Zhi, the former President of Capital University of Physical Education and Sports. The three benefactors enable Woodball to develop smoothly, and Honorary President WENG had always been grateful.

Honorary President WENG had set another goal after setting the foundation for the stability of Woodball. After presented "You Bring Charm to the World Award" in 2015, the idea to establish International Modern Sports Union came to Honorary President WENG's mind. On the heels of the ceremony, more than 20 organizations were united to establish the "International Modern Sports Union (IMSU)" in Taipei. Planning to organize an International Modern Sports Games in hopes of gathering more friends with the same interest to create a platform for each sport to shine on the world stage and a family to win and to be honored together.

Honorary President WENG Ming Hui had built Woodball while it was building him, thus, he once said, "Woodball expanded my vision and broaden my life path. It has taken me to somewhere I wouldn't have passed and to know someone I wouldn't have known." Now, let us follow Honorary President WENG Ming Hui's footprint to comprehend his extraordinary and remarkable Woodball life.

Thirty, stood firm
 Through fate it brought us to Woodball
 Through friendship we grew even more
 Through thirty years of development
 Through countries training young and old
 Woodballers emerging through and through
 Cultivating Woodball to the world

這是一首回顧的詩作，也是翁發明人所寫下的最後一首詩。自1990年建設雙溪後花園開始至今，回顧30個年頭，翁發明人寫出對自己一手創立的木球帝國的感觸及收穫。也寫出接下來的木球推動方向及目標，希望接下來的木球人，能延續其精神，將木球運動推到世界各地。
